

PRODUCT INFORMATION

Meto

Salt & Oxide Remover

Art nr: 1303

METO is a specially designed acid cleaner to dissolve urea salts, oxides rust stains on facades etc.

METO is slightly thickened and adheres well on vertical surfaces.

METO is to be used at lavatories, shower cabins, sewage systems, restaurant kitchens, stainless steel, swimming pools, slaughter-houses.

METO is also excellent to dean aluminium surfaces from dirt, stain and oxides.

Instructions of use:

Pre-wet the surface with water. Apply **METO** with a brush, low-pressure spray or a sponge. Always start from the bottom. Work at the treated surface with a brush. Rinse off with water at 20-60°C and moderate pressure. Finally rinse from the top to the bottom.

DOSAGE:

To be used as concentrate.

Technical data

- Brownish, slightly viscous liquid.
- Delivered in 5 and 25 litres plastic can.
- Specific weight 1,05 kg/litre.
- pH approx. 1
- Contains Phosphoric acid,
Dodecylbenzensulfonic acid.

Storage

Store frost-free in original closed container.
